SANCTIONED TESTING

The Pikes Peak International Hill Climb (PPIHC) will be sanctioning a two day test on Pikes Peak prior to Race Week. This test is scheduled for June 5 and June 6, 2010. It is limited to 7 car/truck and 15 motorcycle / quad each day. The cost is as follows -

Car/Truck - \$600/vehicle/day

Motorcycle/ATV - \$125/vehicle/day

Slots are limited and available on a first come first served basis. You will only be assured a slot (if available) when the PPIHC has your money in hand. The numbers will not be expanded, and this is the only scheduled test to date. The PPIHC is in charge of the test and will determine each day what sections will be run based on consultation with the Pikes Peak Highway Manager. There will not be full runs of the road on any day.

There has been another mile (approx.) of pavement added since the 2010 event. The new section begins above Boulder Park and stops at the Finish Line.
